Sprint 3 Plan

Spikes:

Stories:

- (3.1) As a product owner, I want to add user stories, high-level goals, and the date finalized to my release plan. (5 points)
  Tasks:
    - [Frontend] Create a button that can open a modal for user stories text boxes
    - [Frontend] Create multiple text boxes for the High-Level Goals
    - [Frontend] Create a Text Box for the Date Finalized
- (3.2) As a user, I want to create a new account to access the website. (5 points)
  Tasks:
    - [Frontend] Create the text fields for a new account (Name, email, password)
    - [Backend] Add the routes from the frontend to the backend to save the data into the database
- (3.3) As a product owner, I want to create a new project, add members to this project, and add sprints to it as well. (5 points)
  Tasks:
    - [Frontend] Create the field for the project title and the field for adding members
      [Frontend] Button for creating a new project
    - [Backend] Add the connection to send the input to the backend database

- **Backlog Tasks**
    - Finalize Controller Tests (3 points)
    - Finalize Routing for Controllers (3 points)
